Planning for Your Rabbit's Health

Westmorland Lifetime Care Club enables you to budget for your rabbit's routine preventative care to help keep your rabbit fit and healthy and ensure a long and happy life. This spreads the cost of routine treatment which is not covered by pet insurers.

The Lifetime Care Club membership entitles the rabbit and owner to a great range of benefits, including vaccinations against Myxomatosis and Viral Haemorrhagic Disease (VHD) which is a vaccination against the new and emerging strains of VHD. This is usually 2 vaccinations 2 weeks apart, worm treatments and lots more. These regular visits mean your rabbits health is getting carefully monitored which in many cases may prevent problems arising in the future. Furthermore you can spread the cost of annual membership and pay by monthly Direct Debit.
